2.21 - The New Year Update

Happy 2025! Here's the first update to celebrate: 2.21! 2.21 has reached the 2nd longest update record at 68 days, from the 1st record 2.6 -> 2.6.1 being 79 days.

2.21 replaces modals with their own article/pages, adds a new tech-related story, adds a Departments section in the navbar and footer, as well as updating and finalizing various pages like NyaOS, and the Privacy Policy.

Documentation: Nearly all documentation, especially the Privacy Policy, has been updated.

View the changelog details on the next couple of slides. →
